Community W.E.R.K. Service Day is May 11th

Giving back is an important part of our mission.

On May 11th, The Wilsonville Environmental Resources Keepers (W.E.R.K.) Day takes place on Saturday, May 11th, from 8 a.m. to 1 p.m.

Lowrie families and friends can show up at the Wilsonville Community Center at 8:00 am to register. There are different types of volunteer activities to choose from, so families should get ready to W.E.R.K. to make our city better! Volunteers should bring gloves, water bottles, sun screen and be dressed appropriately for pulling weeds and working on trails. Last year over 300 community members participated in the event.

The city manager has been notified that Lowrie would be using this day as its community service day. After registering, families can eat a free breakfast provided by Rotary.

The first 300 registrants receive a free WERK Day t-shirt. For more information contact Patty Brescia, Senior Programs Manager, at 503-570-1525 or brescia@ci.wilsonville.or.us.

May 7th is National Teacher Day

We have wonderful teachers at Lowrie and we don't thank them enough. This week, please take a moment and recognize our amazing educators.

To show support for our public education teachers, consider signing a pledge from the National Association for Education.

PTA Lawn Signs Coming Soon...

New PTA lawn signs will help keep parents up on all the latest events. When you see one of these lawn signs you will know that we have something going on whether it be a PTA meeting, a fundraiser or any other PTA sponsored event. We will use the banners for a PTA sign up table at events like the Kindergarten Round up, as well as at community events we sponsor to show our pride in being there.

Others ways people can keep up with PTA events are this newsletter, our bulletin board as you walk into the school, our Facebook site and our PTA website.

We encourage you to get involved!
